General Counsel

Security Officer, CIA

Revision of Appendix I to Personal History Statement

1. Attached hereto is a copy of the Appendix I to the Personal History Statement presently being used. I am contemplating, for security benefit, changing the certification to read as follows:

"I certify that I have read the names of the above-listed organizations, and that neither myself, nor, to the best of my knowledge, my spouse, are, or have been, members of, contributed to, knowingly received literature from, or attended meetings of any organization listed above, except as indicated and explained below:"

2. I would appreciate advice as to whether or not such a change would involve any legal consideration.
